

Travelling Upriver 2022

For journeys upriver towards Beeses we need permission to leave the Bristol Floating Harbour via the Netham Lock gates. These are sometimes closed due to high tides, preventing us from travelling further.

Here are the range of dates where the tides allow travel upriver. Please note, the tides may be higher than when they were calculated in 2018.

Once you have found the dates best suited for your journey, call 0117 927 3416 to speak to our friendly office who will be happy to book you in.
