

Ferry Boat Skippers Needed!

Bristol Community Ferry Boats are looking to recruit and train skippers to drive our ferries during our busy Summer season 2023.

Boat handling experience and knowledge of Bristol Harbour is required; we will provide full training this Winter to achieve your Boat Masters Licence with the Maritime Coastguard Agency. This will enable you to Skipper our fleet of passenger ferries from Spring 2023.

Contracts are zero hours and work would mainly be available on weekends and evenings, driving boat parties and our Waterbus service during the Spring/Summer season. Check our website for the services we offer www.bristolferry.com

Hourly Rate starting from £13.30 dependant on experience.

Interviews in December, training will commence in January.

If this sounds like your ideal job or if you have any questions about the role, then please call Mandy on 07411769628 for a chat about the role and information on our training programme.

To register your interest please send us your CV to training@bristolferry.com
